DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claim 25 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 25 depends from cancelled claim 21.

Allowable Subject Matter

- 3. Claims 1, 4-21, 24, 26-41, 44-60, & 81-83 are allowed.
- 4. Claim 25 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
- 5. The following is a statement of reasons for the indication of allowable subject matter:

As noted by Applicant (8/24/04 Remarks: page 19, line 8 - page 20, line 17), the art of record does not teach or suggest the peripheral information obtaining arrangements recited in the present claim language.
